Dear Sir / Madam

LGF 3 Outline Business Case – Unlocking Winsford Industrial Estate

The release of strategic employment land at Winsford Industrial estate is fully supported by Cheshire West & Chester Council. Our council plan specifically identifies creating a great place to do business as a headline objective. Furthermore the adopted Winsford Neighbourhood Plan allocated this land for future employment uses.

As Section 151 Officer for Cheshire West & Chester Council I declare that the project cost estimates quoted in this bid are accurate to the best of my knowledge and that Cheshire West & Chester Council;

- Has allocated sufficient budget to deliver this project on the basis of its proposed funding contribution.
- Accepts that no further increase in LGF funding may be considered beyond the maximum contribution requested.
- Confirms that the authority has the necessary governance / assurance arrangements in place and, for smaller project bids, the authority can provide, if required, evidence of a stakeholder analysis and communications plan.
- Confirms that if required a procurement strategy for the project is in place, is legally compliant and is likely to achieve the best value for money outcome.

Cheshire West & Chester Council

Should you have any further questions please do not hesitate to get in touch.

Yours Sincerely

MSR *M. Wynn*
